

CCG

HC - SPECIALIST NHS & GP IT DELIVERY PARTNER

HC is a specialist provider of GP IT Support and Solutions supporting CCGs to improve digital maturity and patient care in the NHS

“Thanks to HC for delivering such a large project on time and very close to budget. HC has a proven track record in supporting primary care IT with whom we have established a real partnership to support practices across the county.”

Alan Betts,
Deputy Director of
Performance & Contracting at
Dorset CCG

Working in partnership

We work in partnership with CCGs to reduce costs, realise collaborative benefits and increase efficiencies across their infrastructure, whilst delivering excellent customer service.

Our flexible business nature enables us to rapidly deploy specialist NHS IT staff and resources to deliver successful projects, to meet your Digital Transformation Agenda.

Backed by 20 years' experience of NHS and GP IT, coupled with our customer focused ethos, we have the accreditations, knowledge and

resources to migrate, centralise and support your mission critical IT Infrastructure, making us the ideal IT partner for your CCG.

Specialist provider of GP IT Support

We work in partnership with GP practices and GP federations to reduce costs, realise collaborative benefits and increase efficiencies across their infrastructure, whilst delivering excellent customer service. We understand the needs of GP practices and provide a local service with allocated helpdesk teams and local engineers to build relationships, trust and local knowledge.
