DIGITAL TRANSFORMATION PROJECTS

Digital by default service standard Digital Transformation Projects

“At NHS South, Central & West CSU we have established a very successful relationship with HC which is built on the basis of their excellent partnership working.”

Andy Eyles

Associate Director – Digital Transformation
NHS South, Central & West CSU

Service

We can deliver efficient large scale projects on time and on budget, accelerating your delivery times to meet your Digital Agenda and minimising impact, keeping end users satisfied.

Using tailored Digital Prince2 and Agile methodologies in line with the Digital Services Design Manual, our teams of experts work

with your organisation to build agile, user-focused and multidisciplinary teams to assist in delivering your digital services using the following phases:

- Discovery
- Alpha
- Beta
- Live
- Retirement
