

CSU & NHS organisations

MIGRATION SERVICES

Our team can migrate your NHS email or your data, SharePoint and Lync instant messaging to Office 365, anywhere and anytime

“At NHS South, Central & West CSU we have established a very successful relationship with HC which is built on the basis of their in-depth GP IT infrastructure knowledge and excellent partnership working.”

Andy Eyles
Associate Director – Digital transformation
NHS South, Central & West CSU

Office 365 & Microsoft Cloud services

Migrate email, data, SharePoint and Lync instant messaging to Office 365, transitioning from on-premises to Microsoft’s secure and available cloud platform to make your information available to all users anywhere and anytime.

Our consultants are skilled at migrating users to Office 365 services and follow industry and vendor best practices throughout the migration process to ensure a secure and efficient service. We can help scope, design and deliver a full migration or partial services,

to compliment your existing on premise Microsoft services.

NHS Mail Migration services

Managed NHS Mail Migration service to reduce disruption to users and leverage the new benefits of NHSmail2.

Our consultants can plan and deliver your organisations migration to the NHS mail platform seamlessly and efficiently. We can also assist with leveraging the benefits of the new NHSmail2 platform such as Skype business messaging and OneDrive.
